Clifton Community Band: Organization Overview

What began as a one-time fundraiser and opportunity for Clifton Mustang Band Alumni to perform together again has evolved into a classical concert band representing the diversity of Clifton. Adults and young adults from 15 through 75 represent a musical cross-section of our community and bring the joy of music to the city and surroundings.

Founded in 2002 and directed by Robert D. Morgan, the Clifton Community Band is a traditional concert band (brass, woodwinds & percussion) open to the public. The band appears in the area and around the state performing a variety of music including classical, pop, big band and marches.

Clifton Community Band: Organization Overview

The band was featured at the 125th anniversary celebration at historic Congress Hall in Cape May, NJ. The band was the first to perform live, John Philip Sousa's Congress Hall March, at the same location of its debut in 1882.

Sponsored by the City of Clifton, Department of Recreation and the Clifton Mustang Band Alumni Association, we are open to all area musicians. Both adults & teens (15 & older) currently participate. No auditions or fees of any kind are required.

We rehearse Tuesday evenings most weeks, 7-9pm, from November through July. We meet in the Clifton High School band room, 333 Colfax Ave, Clifton, NJ. December, May, June & July are our typical concert months.
