SUMMER CAMP REGISTRATION INFORMATION

Summer Camp registration is available on a first come, first served basis. **Summer Camp registration for 2014 will be conducted on-line.** Complete your registration from home and pay by credit or debit card, or print out the registration form and make payment at City Hall using cash, check (made payable to Clifton Recreation) or money order. Include your driver's license number on all checks. The City will charge a \$35.00 service fee for all checks not honored for any reason by the bank. You will not be registered until payment is received. If you do not have access to a computer at home, you can come into the Recreation Department and use one of our computers. Early registration is strongly recommended.

Pre-registration for Summer Camps (Tots-O-Fun, Junior SportStar, Summer Days in the Park, Artsport and CIT), classes and specialty camps is open to Clifton residents **from the release of this brochure.** Non-residents may register Summer Camps **beginning June 30.** Pre-registration for non-residents for classes or specialty camps is open **from the release of this brochure.** You may register for any camp trips or special events once registration opens. Camp T-shirts may be purchased at our office for \$6.00 and are mandatory for all trips. Individuals registering late will be required to pay the entire camp/class fee (no pro-rating) and there are no refunds for missed classes or camp days. Children must meet age/grade requirements listed by the first day of the camp/class unless the description indicates otherwise. The Clifton Recreation Department does not discriminate on the grounds of race, color, national origin, age or disability to participate in our programs.

If you are creating an account on our website for the first time, please complete the information for the parent first and then add any children. After the account is created, it must be approved by the Recreation Department before you can register. Once the account is approved, you will receive an email from us and you may then register for any programs that you are interested in.

If your child did not participate in a Summer Camp in 2012 or 2013, you **must** submit a copy of your child's birth certificate and immunization records. You may submit them by mail: 900 Clifton Avenue, Clifton, NJ 07013; by email: cliftonrec@cliftonnj.org; or by fax: 973-815-0599. Registrations without these two items will not be considered complete and your child **will not** be able to attend camp.

REFUND POLICY

A request for refund must be made in **PERSON** five (5) business days (Mon. – Fri.) before the program begins, except for trips which require ten (10) business days. Refunds will not be issued for 1-day workshops, seminars, or special events. Refunds will NOT be issued once the program starts. Refunds will also not be issued if your child is suspended or dismissed from a program for behavior reasons. Full refunds are granted in the event that a class is canceled by the Recreation Department. All refunds will follow the Finance Department's bill-paying schedule and will be issued by City check (no cash refunds, and a social security number must be furnished to receive your refund). Allow 4 – 6 weeks for refunds to be received. Failure to return signed purchase order within 3 months of issuance will result in cancellation of refund. A \$5.00 service charge, amount may vary for specific programs, will be assessed per participant / per activity / per transaction for all requested refunds. Transferring from one program to another may incur a \$5.00 service charge per transaction. Individuals may have the option of receiving credit instead of a refund. When using a credit to pay, you must register in-person.

Registration online will be available for most programs, however there will be some programs that you will still need to come into the office to register. When you try to register online for one of these programs, it will prompt you that you cannot complete the transaction online. This will also apply if you are using a credit or recreation dollars to pay.

Even if you are not planning on paying online for programs, we recommend that you still set up an account. If you do not have a computer at home you can set up your account at our office and our staff will assist you with the process.

The mission of the Clifton Recreation Department is to provide the community with a wide variety of youth, adult and family activities that offer our citizens the opportunity to use personal leisure time in a viable, productive and gratifying manner at various facilities that provide both active and passive atmospheres while maintaining historical and environmental awareness. The Department staff place both the concerns of the park system and the programming of unique and quality programs at the forefront of our priorities. Our greatest audience is in our special events that are conducted on an ongoing basis. In addition to the special events, partnership opportunities are available for athletic teams, special needs, site amenities and more. Our events are supported, in part, by our operating budget combined with the financial and in-kind donations from companies, organizations, service clubs and individuals who understand the economics required to develop and support these types of programs. Without this support, we would not be able to provide the quantity and quality of programming that we offer.

There are many opportunities to partner with the Clifton Recreation Department. Whatever option you choose, you will find it to be rewarding and beneficial to you and your organization by giving back to the community and its citizens. There are three levels of partnership opportunities:

| | |
|-------------------|--------------------------|
| Mustang – | Marquee Partner |
| Stallion – | Primary Partner |
| Colt – | Associate Partner |

Partnerships can be financial or in-kind donations. The partnership opportunities include ample opportunities for advertising and recognition for your company or organization besides the great satisfaction of giving back to your community.

All donations are recorded, and depending on your level of partnership, recognition will be mentioned on: flyers, brochures, banners/signs, press releases, announcements, programs, shirts, etc. Partners are invited to attend events and distribute information about their organization/company at the events they are partners for, where introductions will be made, and letters of gratitude will be sent following the event. Specific benefits of your partnership level can be found on our website, as well as a list of all events and programs that provide partnership opportunities. We look forward to working with you as you help to provide the citizens of Clifton with quality recreational programming for all to enjoy.
