CITY OF CLIFTON RECREATION DEPARTMENT PARTNERSHIP PROGRAM

WHO WE ARE

The Clifton Recreation Department is a branch of the City of Clifton designated to service the recreation, health and fitness needs of the community. The City of Clifton is a diversified community with over ninety thousand residents. Our department has had much success in serving the citizens of Clifton. We have increased and improved the park infrastructure, increased the number and quality of our programs, won several State awards and, most importantly, have gained the support and admiration of the citizens of our community. We annually conduct over 140 classes, workshops and camps servicing over 1,500 participants; 40 special events serving more than 10,000 participants; and 20 special programs/teams servicing 1,000 participants. Annually, we have at least 250 volunteers who help run our programs. In addition, we conduct numerous co-sponsored programs with various community organizations. We provide areas of play or leisure at our 39 parks and one farm, encompassing over 210 acres. The Department offers programs for all ages, from preschoolers to senior citizens, encompassing educational, cultural, social, leadership, athletic, fitness, and civic engagement opportunities.

The mission of the Clifton Recreation Department is to provide the community with a wide variety of youth, adult and family activities that offer our citizens the opportunity to use personal leisure time in a viable, productive and gratifying manner at various facilities that provide both active and passive atmospheres while maintaining historical and environmental awareness. The Department staff place both the concerns of the park system and the programming of unique and quality programs at the forefront of our priorities.

OUR NEEDS

Our events are supported, in part, by our operating budget combined with the financial and in-kind donations of companies, organizations, service clubs and individuals who understand the economics required to develop and support these types of programs. Without this support, we would not be able to provide the quantity and quality of programming that we offer.

HOW TO BECOME A PARTNER

There are many opportunities to partner with the Clifton Recreation Department. Whatever option you choose, you will find it to be rewarding and beneficial to you or your organization by giving back to the community and its citizens. If you need assistance in selecting one of the partnership options, call us at (973) 470-5956 or email doliver@cliftonnj.org and we will be glad to help you find the right fit for your needs. There are three levels of partnership opportunities:

Stallion –	Primary Partner
Colt –	Associate Partner

To get the most of your partnership experience, you should make a commitment to the activity/event no less than 4 to 5 months prior to the event. FACILITY SPONSORSHIP / MEMORIAL and GENERAL ADVERTISING

All site amenities and memorial plaques must be approved by the Recreation Department on the advice of the Mayor and Council. Requests are to be made, in writing, to the Recreation Department. You may choose to memorialize an already existing amenity or established tree or request to add a new amenity or tree. In addition, you have the choice to sponsor an existing amenity, having the plaque on the amenity permanently or you may choose to purchase a new amenity or memorial trees with a permanent plaque. The size, design, color and location of all items are at the discretion and approval of the Recreation Department along with the Department of Public Works. Any new site amenities or memorial trees must be purchased by the City of Clifton-Recreation Department. The approval for the addition of a new site amenity will be made based on the following: must fit into the current décor, color and design of the site/facility and must be able to be added to the site/facility without jeopardizing the safety or playability of the site/facility. For new memorial trees, approval of the request for a particular site will be based on safety, playability and success for growth at that location. If a sign/plaque is damaged or vandalized, the Recreation Department will replace the sign/plaque for up to ten years.

Plaques for benches, picnic tables and bleachers will be placed on the item. They will be 8 in. x 2 ½ in. in size and be made from gold tone plastic with black engraved lettering. Plaques for swings will be placed on the wood ties surrounding the swing set for safety purposes. Plaques on trees will be mounted on a wood marker and will be 3 in. x 5 in. in size and will be made from gold tone plastic with black engraved lettering. There is also an option to have a cast aluminum plaque mounted on a rock, for a Memorial Tree. The plaque will be 4 in. x 6 in., and the rock used to mount the plaque will be selected by the Recreation Department. For new trees, the tree species will be chosen based on the desired planting site. If a tree becomes diseased or any other unforeseen circumstance affects the tree, for a ten-year period, the Recreation Department will replace the tree with a species of its choosing.

Plaques on a rock for an amenity or park dedication require an official request to the Mayor and Municipal Council. If approved, plaques will be 12 in. x 8 ¼ in., made from diabond plastic with black engraved lettering, or cast aluminum and placed on an oversized rock with landscaping around it. The rock used to mount the plaque will be selected by the Recreation Department. Park dedication – park sign will be a high-density signboard with predesigned layout as per Recreation Department.

All banner advertising must be pre-approved by the Recreation Department and the Department reserves the right to be selective, with regard to, what is permissible to advertise. All advertisements must be family-friendly and must not promote violence, substance use or any adult-oriented activity. Banners are made (additional pricing for logos) of vinyl or lexan, pricing is reflective of the materials used. The donor has the option of having the Recreation Department produce the banner or supply the banner themselves. Lexan signs will be made by the Recreation Department only.

For memorial plaques, amenities or memorial donations please include additional paperwork identifying the individual's name, date and the wording requested for the plaque. Logos will require additional fees for artwork. Plan a maximum of four months, from the approved request to installation of amenities. You may make your request for a memorial tree at any time; however, trees will only be planted in the spring or fall in order to give the tree the best chance to survive.
